ABOUT US

We are leading provider of quality laboratory products and laboratory services in the Philippines. We serve the food, industrial, government, life science, educational and pharmaceutical markets as a nationwide distributor of scientific equipment, chemicals and supplies.

Yana is operating both in Manila (Luzon) and in Cebu (Visayas and Mindanao). We have a team of dedicated and professional sales, service, support and management team who will always be behind you every step of the way: helping you with the challenges you face with your laboratory equipments and application. Currently, we have over 70 employees serving YOU, around 1000 active buying companies, and over 100 dealers use YANA as their one-stop shop.
